

Accessibility Statement

Last Updated: October 2026

The U.S. Fats, Oils & Grease Alliance (USFOGA) is committed to providing a website that is accessible to the widest possible audience, including individuals with disabilities. We are continually working to improve the accessibility and usability of USFOGA.com and strive to provide an inclusive online experience for all visitors.

Our Commitment

USFOGA works to make our website accessible and user-friendly by following generally recognized accessibility practices and, where reasonably possible, the Web Content Accessibility Guidelines (WCAG).

Our ongoing accessibility efforts may include:

- Providing alternative text for meaningful images and graphics
- Maintaining appropriate color contrast and readable text
- Supporting keyboard navigation where possible
- Using clear headings and logical page structures
- Providing descriptive links and buttons
- Improving the accessibility of forms and interactive website elements
- Reviewing website content and functionality as technology and accessibility standards evolve

Third-Party Content

USFOGA.com may include links to third-party websites, embedded content, documents, applications, or other resources that are not owned or controlled by USFOGA. While we encourage accessibility throughout the F.O.G. industry and our broader community, we cannot guarantee the accessibility of third-party content or platforms.

Need Assistance?

If you experience difficulty accessing any part of USFOGA.com, encounter an accessibility barrier, or need information provided in an alternative format, please contact us.

When contacting us, please identify the webpage or content you were attempting to access and describe the accessibility issue you encountered. We will make reasonable efforts to provide the information or assistance you need and to address accessibility concerns when possible.

Ongoing Efforts

Digital accessibility is an ongoing process. USFOGA will continue to evaluate our website and make reasonable improvements to enhance accessibility as standards, technology, and best practices evolve.

We welcome feedback that can help us improve the accessibility and usability of USFOGA.com for everyone. You can reach us at info@usfoga.com
